appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and board of directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Director Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for

one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure-1 a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- (c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Cash Flow Statement and the statement of change in equity, dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
- (e) On the basis of written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- (h) With respect to the matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanation given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv.
 - (a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement;

v. The Dividend declared and paid by the Company during the year is in accordance with Section 123 of the Companies Act, 2013, as applicable;

vi. Based on our examination, which included test checks, the Company has used accounting softwares for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the softwares. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with;

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

Annexure - 1 to the Independent Auditor's Report

Referred to in our Independent Auditor's Report to the members of **IL&FS Infra Asset Management Limited** on the financial statements for the year ended 31st March, 2024, we report that:

(i)

- (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment ("PPE") and relevant details of right-of-use of assets.
- (B) The Company has maintained proper records showing full particulars of Intangible Assets.
- (b) According to the information and explanations given to us, all the PPE have been physically verified, at reasonable intervals, by the management, which in our opinion is reasonable, having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of records examined by us, the company does not have any immovable property. Accordingly, reporting under clause 3(i)(c) of the Order is not applicable.
- (d) According to the information and explanations given to us and on the basis of records examined by us, the Company has neither revalued any of its Property, Plant and Equipment (including Right-of-use Assets) nor its Intangible Assets during the year. Accordingly, reporting under clause 3(i)(d) of the Order is not applicable.
- (e) According to the information and explanations given to us, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibitions) Act, 1988 (as amended in 2016) and Rules made thereunder. Accordingly, reporting under clause 3(i)(e) of the Order is not applicable.

(ii)

- (a) The Company does not have any inventory and hence reporting under clause 3(ii)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned working capital limits in excess of INR 5 crore, in aggregate, at any point of time of the year, from any banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.

(iii)

- According to the information and explanations given to us and the records of the Company examined by us during the year, the Company has not made investment in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to Companies, Firms Limited Liability

Partnerships or any other parties during the year and hence reporting under clause 3(iii) of the Order is not applicable to the Company.

- (iv) According to the information and explanations given to us and the records of the Company examined by us during the year, the Company has not given any loans, made investment or provided any guarantee or security as specified under Section 185 and 186 of the Companies Act, 2013. Accordingly, reporting under clause 3(iv) of the Order is not applicable.
- (v) According to the information and explanations given to us and the records of the Company examined by us during the year, the Company has not accepted any deposits or amounts which are deemed to be deposits from public within the meaning of the provisions of Sections 73 and 76 or any other relevant provisions of the act, and the rules framed there under. Accordingly, clause 3(v) of the Order is not applicable:
- (vi) According to the information and explanations given to us Central Government has not prescribed the maintenance of cost records under sub-section (1) of section 148 of the Companies Act, 2013 in respect of activities carried by the Company. Accordingly, clause 3(vi) of the Order is not applicable.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including provident fund, income-tax, sales tax, value added tax, duty of customs, service tax, goods and service tax, cess and other material statutory dues have been regularly deposited during the year by the Company with the appropriate authorities.

According to the information and explanations given to us, no undisputed amounts is payable in respect of provident fund, income tax, sales tax, value added tax, duty of customs, service tax, cess and other material statutory dues were in arrears as at 31st March 2024 for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us, there are no dues in respect of Income Tax, Sales Tax, Service Tax, Customs Duty, Wealth Tax, Excise Duty and Cess which have not been deposited with the appropriate authorities on account of any dispute:
- (viii) According to the information and explanations given to us and the records of the Company examined by us, the Company did not have any transactions relating to previously unrecorded income that have been surrendered or disclosed as income by the company during the year in the tax assessments under the Income Tax Act, 1961. Accordingly, clause 3(viii) of the Order is not applicable.
- (ix) (a) According to the information and explanations given to us and the records of the Company examined by us, the Company has not taken any loans or other borrowings from any lender. Accordingly, clause 3(ix)(a) of the Order is not applicable.

(b) According to the information, explanations and representation given to us and the records of the Company examined by us, the Company is not declared wilful defaulter by any bank or financial institution or other lender.

(c) According to the information and explanations given to us and the records of the Company examined by us, the Company has not obtained any term loans during the year. Accordingly, clause 3(ix)(c) of the Order is not applicable.

(d) According to the information and explanations given to us and on an overall examination of the financial statements, in our opinion the Company has not utilized funds raised on short term basis for long term purposes.

(e) The Company does not have subsidiaries, associates or joint ventures. Accordingly, reporting under clause 3(ix)(e) of the Order is not applicable.

(f) The Company does not have subsidiaries, associates or joint ventures. Accordingly, reporting under clause 3(ix)(f) of the Order is not applicable.

(x) (a) According to the information and explanations given to us and the records of the Company examined by us, the Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable.

(b) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, paragraph 3(x)(b) of the Order is not applicable.

(xi) (a) During the course of our examination of the books of account and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud on or by the Company, noticed or reported during the year, nor have we been informed of such case by the management.

(b) According to the information and explanations given to us, no report under section 143(12) of the Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014, as amended with the Central Government during the year.

(c) According to the information and explanations given to us, the Company has not received any whistle-blower complaint during the year.

(xii) In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.

- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements, as required by the applicable accounting standards.
- (xiv) According to the information and explanations given to us, in our opinion and based on our examination, the company does not have an internal audit system and is not required to have an internal audit system as per provisions of the Companies Act 2013.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- (xvi)
 - (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, reporting under clauses 3(xvi)(a), 3(xvi)(b) and 3(xvi)(c) of the Order are not applicable to the Company.
 - (b) According to the information and explanations given to us, the Group does not have any CIC. Accordingly, the requirements of clause 3(xvi)(d) are not applicable.
- (xvii) The Company has not incurred any cash losses during the current financial year and immediately preceding financial year.
- (xviii) There has been no resignation by the statutory auditors of the Company during the year. Accordingly, clause 3(xviii) of the Order is not applicable.
- (xix) According to the information and explanations given to us and on the basis of financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and more particularly, our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx)
 - (a) There are no unspent amounts towards Corporate Social Responsibility (CSR) requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.

(b) The Company does not have any unspent amount u/s 135(5) pursuant to any ongoing project. Hence reporting under clause 3(xx)(b) of the order is not applicable.

Annexure 2 to the Independent Auditor's Report

[Referred to in our Independent Auditor's Report to the members of **IL&FS Infra Asset Management Limited** on the financial statements for the year ended 31st March, 2024]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **IL&FS Infra Asset Management Limited** ("the Company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

IL&FS INFRA ASSET MANAGEMENT LIMITED

CIN: U65191MH2013PLC239438

Notes forming part of the financial statements for the year ended March 31, 2024

1. Corporate Information

IL&FS Infra Asset Management Limited was incorporated on January 8, 2013 and is a subsidiary of IL&FS Investment Managers Limited. The Company acts as Investment Manager to Schemes of IL&FS Mutual Fund (IDF) and principal business of the Company is to provide management advisory & administrative services to IL&FS Mutual Fund (IDF) in accordance with the Investment Management Agreement between IL&FS AMC Trustee Limited and the Company, dated January 21, 2013 and amended on September 5, 2013 and amended on January 16, 2017.

The Registered office of the Company is situated at The IL&FS Financial Centre, 8th Floor, Plot C-22, G-Block, Bandra Kurla Complex, Bandra East, Mumbai – 400 051, Maharashtra.

2. Significant accounting policies

Statement of compliance

These financial statements have been prepared, in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

Upto the year ended March 31, 2017, the Company prepared its financial statements in accordance with the requirements of accounting standards prescribed under Section 133 of the Companies Act read with the Companies (Accounting Standards) Rules, 2006.

a. Basis of preparation and presentation

The financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities that are measured at fair value. (Refer accounting policy regarding financial instruments)

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/ or disclosure purposes in these financial statements is determined on this basis.

Company's financial statements are prescribed in Indian Rupees (Rs.) which is also its functional currency.

b. Fair value measurement

The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value

measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. External valuers are generally involved for valuation of significant assets, such as properties and significant liabilities, such as contingent consideration. For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above

c. Use of Estimates

The preparation of the financial statements requires the Management to make judgement, estimates and assumptions that affect the reported amounts of assets and liabilities (including contingent liabilities) and reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results would differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known/materialize

d. Revenue recognition

Effective April 1, 2018, the Company has applied Ind AS 115 which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised. Ind AS 115 replaces Ind AS 18 Revenue and Ind AS 11 Construction Contracts. The Company has adopted Ind AS 115 using the cumulative effect method. The effect of initially applying this standard is recognised at the date of initial application (i.e. April 1, 2018).

The impact of the adoption of the standard on the financial statements of the Company is insignificant.

Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services.

Revenue is recognized when it is realized or realizable and earned. Revenue is considered as realized or realizable and earned when it has persuasive evidence of an arrangement, delivery has occurred, the sales price is fixed or determinable and collectability is reasonably assured. Revenue from services is recognized in the accounting period in which the services are rendered.

- i) Investment management and advisory fee is recognized at specific rates agreed upon with relevant schemes, and is applied on the average daily net assets of each scheme (excluding inter-scheme investments, where applicable, and investments made by the Company in the respective scheme), and are in conformity with the limits specified under SEBI (Mutual Funds) Regulations, 1996, as amended
- ii) Interest income on fixed deposits is accrued proportionately based on period for which the same is placed

e. Employee Benefits

Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services

Long Term Employee Benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability as at the Balance Sheet date on the basis of actuarial valuation as per the Projected Unit Credit Method

Post-Employment Benefits

Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions towards Provident Fund, Employee State Insurance and Pension Scheme. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service

Defined Benefit Plans

The Company pays gratuity to the employees who have completed five years of service with the Company at the time of resignation/ superannuation. The gratuity is paid @ 30 days' salary for every completed year of service as per the Payment of Gratuity Act, 1972. The liability in respect of defined benefit plan and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services. Re-measurement of defined benefit plans in respect of post-employment and other long term benefits are charged to the Other Comprehensive Income. The service cost, net interest on the net defined benefit liability/(asset) is treated as a net expense within employment cost and are recognized immediately in the statement of profit and loss

f. Income Tax

Tax Expense comprises of Current Tax and net changes in Deferred Tax Assets or Liability during the year.

Current Tax expense or credit for the year is the amount of tax payable on taxable income for the year on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets (including unused tax credits such as MAT credit and unused tax losses such as carried forward business loss and unabsorbed depreciation) are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

g. Property, plant and equipment

Property, plant and equipment acquired by the Company are reported at acquisition cost, with deductions for accumulated depreciation and impairment losses, if any

The acquisition cost includes the purchase price (excluding refundable taxes) and expenses, directly attributable to bringing the asset to the site and in working condition for its intended use

h. Intangible Assets

Intangible Assets are reported at acquisition value with deductions for accumulated amortisation and impairment losses, if any

i. Depreciation

Depreciation on asset is provided pro-rata from the date on which asset is ready to be put to use for its intended purpose on Straight-Line Method. As per CA 2013, depreciation of assets is required to be provided based on estimated useful life as per Schedule II of the CA 2013. However, there are certain categories of assets where the useful life of assets have been assessed as under, taking into consideration the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, the past history of replacement, anticipated technological changes etc. Pursuant to the foregoing, it is proposed to continue with the existing policy of accelerated depreciation on following category of assets:

Asset Type	Useful Life
Data Processing Equipments- Server and Networking	4 years
Specialised Office Equipment	3 years
Mobile Phones, Tablets and Soft Furnishing	year of capitalisation
Lease Improvements	lease period

Assets costing Rs 5,000 or less, are fully depreciated in the year of capitalisation

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying of the asset and is recognized in profit or loss

The Company has elected to continue with the carrying value of all of its property, plant and equipment and intangible assets recognized as of April 1, 2017 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date

j. Impairment of Assets

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment. Whenever events or changes in circumstances indicate that the carrying amount may not be recoverable, an impairment loss is recognised in Statement of Profit and Loss for the amount by which asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based

on the estimated future cash flows discounted to their present value using pre-tax discount rate that reflect current market assessments of the time value of money and is specific to the assets.

k. Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Company has a present legal or constructive obligation as a result of a past event and it is probable that the outflow of resources would be required to settle the obligation, and in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted at their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date.

A Contingent Liability is disclosed unless the possibility of an outflow of resources embodying the economic benefits is remote. Contingent Assets are neither recognised nor disclosed in the financial statements.

I. Financial Instruments

Financial Assets

Initial recognition and measurement:

All financial assets are initially recognised at fair value. Transaction costs that are directly attributable to the acquisition of financial assets, which are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are recognised using trade date accounting.

Subsequent measurement:

a) Financial assets carried at amortised cost (AC)

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

d) Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment assessment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- a) The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- b) Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables, Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivable. Further, Company uses historical default rates to determine impairment loss on the portfolio of the trade receivables. At every reporting date, these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 months ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

Financial liabilities

Initial recognition and measurement:

All financial liabilities are recognized initially at fair value and in case of borrowings and payables, net of directly attributable cost. Fees of recurring nature are directly recognised in profit or loss as finance cost.

Subsequent measurement:

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires

m. Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term balance, as defined above as they are considered an integral part of the Company's cash management.

n. Earnings Per Share

In determining earnings per share, the Company considers the profit attributable to the owners of the company. The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share, and also the weighted average number of additional equity shares that could have been issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the year, unless issued at a later date.

o. Critical accounting judgements and key sources of estimation uncertainty:

The preparation of the Company's financial statements requires management to make judgement, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

i) Estimated useful lives of tangible assets:

Property, plant and equipment are depreciated over the estimated useful lives of the assets, after taking into account their estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation for future periods is adjusted if there are significant changes from previous estimates.

ii) Provisions:

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability require the application of judgement to existing facts and circumstances, which can be subject to change. Since the cash outflows can take place many years in the future, the carrying amounts of provisions and liabilities are reviewed regularly and adjusted to take account of changing facts and circumstances.

iii) Recoverability of trade receivable:

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment

iv) Impairment of financial assets:

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period

v) Defined benefit plans:

The employment benefit obligations depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost/ income include the discount rate, inflation and mortality assumptions. Any changes in these assumptions will impact upon the carrying amount of employment benefit obligations.

p. Fund Expenses

Annual recurring expenses related to the schemes of IL&FS Mutual Fund (IDF), which are in excess of internal expense limits, are borne by the Company

The Company also absorbs the expenses relating to the launch of the schemes of IL&FS Mutual Fund (IDF)

q. Distribution Commission

Distribution Commission and related expenses on closed ended schemes are expensed out over the tenure of the respective schemes, commencing from the month in which units are allotted.

r. GST Input Credit

GST input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is reasonable certainty in availing the credits.

(i) Construction / acquisition of any asset	Nil	Nil	Nil
(ii) On purposes other than (i) above	2,118	Nil	2,118

(b) Details of Corporate Social Responsibility (CSR) expenditure:

Particulars	2023-24	2022-23
a) amount required to be spent by the company during the year	2,118	2,303
b) amount of expenditure incurred	2,118	2,303
c) shortfall / (excess) at the end of the year	-	-
d) total of previous years shortfall / (excess)	-	-
e) reason for shortfall	NA	NA
f) nature of CSR activities	Health Care & Education	Health Care & Education
g) details of related party transactions in relation to CSR expenditure	-	-

Note 25 : Financial Risk Management**Credit Risk**

Credit risk is the risk that customers or counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities which is primarily trade receivables.

The Company is the Asset Manager of IL&FS Mutual Fund (IDF) which is the only customer of the Company. The Company earns Management Fees from the Fund at the specified rates agreed upon with relevant schemes in accordance with SEBI (Mutual Funds) Regulations, 1996, as amended. The Company timely receives the Management Fees regularly and regularly monitors the credit risk arising from the same.

Note 26 : Ratio's

Ratio	Numerator	Denominator	Current Year	Previous Year	% of Variance	Reason for Variance if exceed 25%
(a) Current Ratio	Total current assets (Excluding Fixed Deposits with Banks)	Total current liabilities	6.02	1.57	283.68	Current Assets (excluding fixed deposit) has increased during the year and current liabilities (due to decrease in provision for expenses) decreased during the year as compared to last year. Interest accrued on fixed deposit increased during the year
(b) Debt Equity Ratio	N.A.	-	-	-	-	-
(c) Debt Service Coverage Ratio	N.A.	-	-	-	-	-
(d) Return on Equity Ratio	Profit After Tax (Total Comprehensive Income)	Average total equity	0.28	0.16	79.34	Profit after tax increased during the year as compared to Last year
(e) Inventory Turnover Ratio	NA	-	-	-	-	-
(f) Trade Receivable Turnover Ratio	Revenue from operations	Average trade receivables	11.20	11.41	(1.83)	-
(g) Trade Payable Turnover Ratio	Purchases of services and other expenses	Average trade payables (including accrued expenses)	5.89	4.58	28.63	Provision for Expenses reduced during the year, hence there is increase in the Ratio.
(h) Net Capital Turnover Ratio	Revenue from operations	Total current assets (After Excluding Fixed Deposits with Banks) less Total current liabilities	5.48	20.55	(73.33)	Current assets (excluding fixed deposit) has increased and current liabilities decreased during the year as compared to last year which has resulted for decrease in the ratio
(i) Net Profit Ratio	Profit After Tax (Total Comprehensive Income)	Revenue from operations	0.68	0.57	19.12	-
(j) Return on Capital Employed	Profit before tax and finance cost	Tangible Networth - Deferred Tax Assets	0.43	0.26	65.74	Profit has increased during the year and the Company has distributed Dividend, therefore Equity shareholders' fund is decreased in FY 2023-24 which has resulted for increase in ratio
(k) Return on Investment	N.A.	-	-	-	-	-

Note 27 : Other Regulatory Disclosures

(i) There are no proceedings initiated or pending against the Company for holding any Benami Property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.

(ii) The Company does not have any transactions with struck off companies during the year.

(iii) The Company does not have any charges or satisfaction which is yet to be registered with Registrar of Companies beyond the statutory period.

(iv) The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

(a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (Ultimate Beneficiaries) or

(b) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

(v) The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

(a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

(b) provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(vi) The Company has not entered into any such transaction which is not recorded in the books of account that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961).

(vii) The Company does not have any investment property.

(viii) The Company has not received any whistleblower complaint during the year. No frauds had been noticed by or reported to the Company.

Note 28 : Previous year's figures have been regrouped/reclassified to make them comparable with those of current year.

Note 29 : The financial statements were approved by the Board of Directors on 23rd April, 2024.
