Note :

- The aforesaid consolidated financial results of IL&FS Investment Managers Limited (the "Holding Company" or "the Company"), its subsidiaries (the Holding Company and its subsidiaries together constitute the "Group") and jointly controlled entities for the quarter and half year ended September 30, 2025 along-with comparative period have been reviewed by the Audit Committee and subsequently approved by the Board of Directors of the Company at its meeting held on February 13, 2026 in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The financial results for the quarter and half year ended September 30, 2025 have been subjected to Limited Review by the Statutory Auditors of the Company
- The financial results have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 - Interim Financial Reporting, notified under Section 133 of the Companies Act 2013 read with Companies (Indian Accounting Standards) Rules 2015, as amended from time to time and other accounting principles generally accepted in India
- As per requirements of Indian Accounting Standard (Ind AS) 108 on 'Operating Segments', based on evaluation of financial information for allocation of resources and assessing performance, the Group has identified a single segment i.e. providing asset management services and other related services. As such, there are no separate reportable business or geographical segments as per Ind AS 108
- The Ministry of Corporate Affairs (MCA), Government of India, has vide its letter dated October 1, 2018 initiated investigation by Serious Fraud Investigation Office (SFIO) against Infrastructure Leasing & Financial Services Limited (IL&FS), the IL&FS or Ultimate Holding Company and its subsidiaries (including the Company) under Section 212(1) of the Companies Act, 2013. On December 3, 2018, MCA on the directions of the National Company Law Tribunal, Mumbai (NCLT) has implemented various Group Companies of IL&FS (which includes the Company) as Respondents to the Petition filed by them on October 1, 2018. The Company has received the "Summary of Charges" sent by the Ministry of Corporate Affairs through IL&FS, based on which the Ultimate Holding Company has submitted the necessary response
- The terms of most of the existing funds managed or advised by the Holding Company and few of its subsidiaries are approaching the end of their extended terms in the near future. As a result, the Group did not generate significant fee income during the quarter and half year ended September 30, 2025, apart from project revenue from one subsidiary, which was relatively low
Management expects that the future income from the remaining funds under management and Project revenues, along with the liquid assets held by the Group as of September 30, 2025, will be adequate to meet the Group's current and future obligations over the next 12 months. Based on this expectation, management believes that the use of the going concern assumption in preparing the Group's consolidated financial results remains appropriate.
The IL&FS Board has been working on a resolution plan, with a view to enable value preservation for stakeholders of IL&FS Group. The resolution plan, inter alia, involves sale of assets/businesses/companies owned by IL&FS. In this regard, the IL&FS Board has on December 21, 2023 invited a public Expression of Interest (EOI) for sale of its entire stake in the Company. In response to the EOI, few prospective bidders have shown interest and the process is underway

STEADIER TONE ON TRANS-ATLANTIC TIES

Rubio reassures allies as US eyes alliance reset

Will remain forever tied to Europe, says US Secretary of State

REUTERS Munich, February 14

US SECRETARY OF State Marco Rubio cast the United States as the "child of Europe" in a message of unity on Saturday, offering some reassurance as well as levelling more criticism at allies after a year of turmoil in transatlantic relations.

Rubio was addressing the annual Munich Security Conference, where Europe's leading powers have tried to project their own independence and strength while straining to keep an alliance with the US under President Donald Trump alive.

The speech delivered a degree of reassurance to European countries who fear being left in the lurch on anything from the war in Ukraine to international trade ructions in a rapidly shifting global order. But it was short on concrete commitments and made no mention of Russia, raising questions on whether Rubio's more mollified tone than that of Vice President JD Vance at the same

US Secretary of State Marco Rubio speaks at the Munich Security Conference in Munich, Germany, on Saturday

event a year ago would change the underlying dynamics.

"In a time of headlines heralding the end of the transatlantic era, let it be known and clear to all that this is neither our goal nor our wish, because for us Americans, our home may be in the Western Hemisphere, but we will always be a child of Europe," Rubio said. "For the United States and Europe, we belong together," he said in a speech that drew a standing ovation at the end.

European Commission President Ursula von der Leyen said she was "very much reassured" by the speech. Speaking at the conference, she said the Euro-

pean Union should "bring to life" a mutual defence pact anchored in its founding treaty.

Vance's address last year dressed down European allies, arguing that the greatest danger to Europe came from censorship and democratic backsliding rather than external threats like Russia. While praising Europe's cultural achievements from the artist Michelangelo to the poet William Shakespeare, Rubio also touched on themes that have raised hackles, including criticism of mass migration and zealous action on climate change. "We do not want our allies to be weak, because that makes us weaker," he said.

Russia killed Navalny: UK, 4 EU nations

FIVE EUROPEAN nations say Russian opposition leader Alexei Navalny was poisoned with a lethal toxin, and are blaming the Russian state for the attack. The foreign ministries of the UK, France, Germany, Sweden and the Netherlands said Saturday that analysis of samples from Navalny, who died two years ago, "have conclusively confirmed the presence of epibatidine."

The countries said that "only the Russian state had the combined means, motive and disregard for international law" to carry out the attack. Reuters

Speaking directly after Rubio, Chinese Foreign Minister Wang Yi warned against "knee-jerk" calls for the United States to distance itself from China and said that despite some positive recent signs from the White House, some US voices were undermining the relationship.

Jaishankar reaffirms support for UNSC reform

India's External Affairs Minister S Jaishankar

PRESS TRUST OF INDIA Munich, February 14

EXTERNAL AFFAIRS MINISTER S Jaishankar on Saturday met his counterparts from the G7 countries as he reiterated India's support for reform of the UN Security Council (UNSC) at the Munich Security Conference.

The meeting comes after India concluded a free trade agreement (FTA) with the 27-nation European Union in January. Jaishankar in a social media post said he was pleased to engage with G7 Foreign Ministers and reiterated India's support of the UN@80 agenda, particularly meaningful reform of the UN Security Council.

The external affairs minister said he emphasised India's role in "safeguarding sea lines of communication, serving as a first responder, strengthening port security, and contributing to resilient submarine cable infrastructure". "Our conversation brought out the many convergences and shared interests between India and the G7," the minister added. Jaishankar started his Munich Security Conference with a roundtable. The minister said he highlighted the "importance of a nimble and dynamic foreign policy to meet the demands of multipolarity". The free trade agreement between India and EU will account for a quarter of the global GDP, will reduce tariffs on 99% of Indian exports to the EU and cut duties on over 97% of the EU's exports.

INDIA-PAKISTAN T20 WORLD CUP Neutral Colombo ready for cricket & some rain

VENKATA KRISHAN B Colombo, February 14

GABBY WHIGHT, THE owner of Cricket Cafe, a popular watering hole in the posh Colombo 7 neighbourhood, is gearing up to welcome her regular clientele for what is expected to be a long and busy Sunday night. A short distance from R Premadasa Stadium, the venue of the eagerly anticipated India versus Pakistan T20 World Cup group-stage match, the social hotspot in the heart of Colombo is a "neutral ground" within a neutral venue for the both sides.

"People from both the embassies (India and Pakistan) usually turn up here for match screenings when there is an India vs Pakistan match anywhere. We've watched some hard-fought matches here and the excitement has reached fever pitch. Of course, there are emotions and some banter but everything is in good spirit. I've not experienced a single unpleasant incident in an India vs Pakistan screening here. I like to believe the Cricket Cafe is a neutral ground," Australia-born Whight told *The Indian Express*.

Established in 1996, Cricket Cafe has turned into a regular haunt for those who like to watch their cricket on the big screen with a sundowner in hand. The Premadasa Stadium, meanwhile, is sold out as expected for the first match between the two teams since the Asia Cup. On match eve, the million-dollar question — whether the two captains will shake hands at the toss — remains. There is also a rain threat, which could result in a truncated game. "We will break the suspense tomorrow. Is the game important or this (handshakes or no handshakes)... wait for 24 hours," India captain Suryakumar Yadav told the media during the pre-match press conference. Earlier in the day, his Pakistan counterpart Salman Agha spoke along similar lines.

BLOCKBUSTER CONTEST

ICC Men's T20 World Cup 2026, Match 27, Group A

7 pm IST, Colombo

INDIA	PAKISTAN
Hardik Pandya His all-round spark is pivotal	Sahibzada Farhan Opener looks in fine form
Ishan Kishan Reinvented himself as top-order linchpin	Saim Ayub Bankable spin-bowling all-rounder
Jasprit Bumrah Ever-crafty, anchors the pace unit	Usman Tariq Trump card; his side-arm action is intriguing
Varun Chakaravarty Mystery spinner, currently tops bowling ranking	Shaheen Afridi Was central to Pak's only T20 WC win against India in 2021

"We will find out tomorrow," he said. Agha hoped that the cricket, and not controversy, would take centre stage. "The game should be played in the spirit of cricket. What I expect doesn't matter. But I do feel the game should be played in the way it has been played since cricket started. Rest is up to them (Indian team), whatever they want to do," he said. Pakistan registered their only win against India in T20 World Cups during the 2021 edition, making defending champions India the favourites for Sunday. However, Suryakumar Yadav said his team wouldn't be resting on past laurels.

"You can't carry it on the ground because it can bring in a bit of complacency. If you want to stay in control and keep a relaxed mind then it is important to start fresh," the India captain said. Indian fans will hope the best XI will be able to take the field. The batting lynchpin Abhishek Sharma missed the last game against Namibia because he was recovering from a stomach illness. India will also have to deal with a new dimension on the field as Pakistan's spin attack have been in focus during this World Cup. The conditions at the Premadasa, where Pakistan have already played, will be on the slower side going by the games so far. India may have to realign their strategy, which could potentially see them take the field with a spin-heavy attack like Pakistan. Spinner Usman Tariq, whose action has been reported twice but has been cleared by the ICC, was a talking point before the big game. "There will be some questions that will be out of syllabus. We won't skip that. Usman is unique and we will not surrender to him. We have been practising for him," Suryakumar said.

SpaceX weighing dual-class IPO shares

BLOOMBERG February 14

SPACE X IS CONSIDERING a dual-class share structure in its planned IPO this year, according to people familiar with the matter, mirroring a strategy its billionaire founder Elon Musk floated for Tesla.

A two-tier structure would give select shareholders stock with extra voting power that would allow them to dominate

\$50-BN IPO
SpaceX is considering an IPO that could raise up to \$50 bn to fund space-based AI data centres and a lunar factory

decision making. The move would allow insiders such as Musk to maintain control of the

company even with a minority stake. The company is also in the process of adding members to

its board of directors, the people said, to help steer the IPO and drive Musk's space ambitions beyond its core rocket and satellite business.

SpaceX is seeking to hold an IPO later this year, in a deal that could raise as much as \$50 billion to fund AI data centers in space and a factory on the moon. SpaceX recently acquired Musk's xAI, moving the company beyond its core businesses into artificial intelligence.

- सदर वित्तीय निष्कर्ष हे कंपनी कायदा, २०१३ (कायदा), धारण कंपनी व तिच्या उपकरणांच्या (कंपनीसह) यांच्याविषय मधील फसवणूक तपास कार्यवाही (एसएफआयओ) द्वारे चौकशी सुरू केली आहे. दि. ०३.१२.२०१८ रोजी, राष्ट्रीय कंपनी विधि न्यायाधिकरण, मुंबई (एनसीएनटी) यांच्या निर्देशानुसार एमसीएने दि. ०१.१०.२०१८ रोजी दाखल केलेल्या याचिकेत आयएल अँड एफएसच्या विविध समूह कंपन्यांना (ज्यामध्ये कंपनीचा समावेश आहे) प्रतिवादी म्हणून समाविष्ट केले आहे. कंपनीला आयएल अँड एफएस द्वारे कोर्पोरेट कामकाज मंत्रालयाने पाठवलेला शुल्काचा सारांश प्रगट झाला आहे, ज्याच्या आधारे धारण कंपनीने आवश्यक प्रतिसाद सादर केला आहे.
- धारण कंपनी व तिच्या काही उपकरणांद्वारे व्यवस्थापित किंवा सल्ला दिलेल्या बहुतेक विद्यमान निर्धोषा अटी नजीकच्या भविष्यात त्यांच्या विस्तारित मुदतीच्या समाप्तीच्या जवळ येत आहेत. परिणामी, दि. ३०.०९.२०२५ अखेरची तिमाही व सहामाहीमध्ये समूहाने एका उपकरणांकडून प्रकल्प उत्पन्न वगळता लक्षणीय शुल्क उत्पन्न मिळवले नाही, जे तुलनेने कमी होते. व्यवस्थापनाला अपेक्षा आहे की व्यवस्थापनाखालील उर्वरित निधी व प्रकल्प महसूलातून भविष्यातील उत्पन्न हे दि. ३०.०९.२०२५ पर्यंत समूहाकडे असलेल्या तरल मालमत्तेसह, पुढील १२ महिन्यांत समूहाच्या विद्यमान व भविष्यातील दायित्वांची पूर्तता करण्यासाठी पुरेसे असेल. या अपेक्षेवर आधारित, व्यवस्थापनाचा असा विश्वास आहे की समूहाचे एकत्रित आर्थिक निकाल तयार करताना चाळू चिंता गृहीतकाचा वापर योग्य राहील.
- आयएल अँड एफएस समूहाच्या भागधारकांसाठी मूल्य जतन करण्यास सक्षम करण्याच्या उद्देशाने एका ट्राय आराखड्यावर काम करत आहे. ट्राय आराखडा योजनेमध्ये अन्य बाबींबरोबरच आयएल अँड एफएस च्या मालमत्ता/व्यवसाय/कंपन्यांची विक्री समाविष्ट आहे. आणि या संदर्भात, आयएल अँड एफएस बॉर्डान दि. २१.१२.२०२३ रोजी कंपनीतील त्यांच्या संपूर्ण हिस्सा विक्रीसाठी सार्वजनिक अधिष्कृत (ईओआय) आमंत्रित केली होती. सदर ईओआय ला प्रतिसाद म्हणून, काही संपाद्य बोलीदारांनी इच्छा व्यक्त केली असून त्यासंदर्भात प्रक्रिया सुरू आहे.
- कंपनीचे सारांश स्वरूपातील अलेखापरिक्षित स्वतंत्र वित्तीय निष्कर्ष खालीलप्रमाणे आहेत. कंपनीचे विस्तृत स्वतंत्र निष्कर्ष कंपनीची वेबसाइट www.iimlindia.com वर उपलब्ध आहेत.
